...and many more!

Our carriers are all "A rated" or better, and typically written admitted:

Northland Casualty
Capitol Indemnity
National Indemnity Group

PIU can handle all of your business auto needs. You might have hard to place drivers, older vehicles, odd/uncommon vehicle types, or maybe your insured is managing a new company. PIU's commercial auto department is there for you to help you solve your problems with a solution designed for you. We have a broad appetite for a wide range of operations and can often make considerations for "hard-to-place" accounts.

Liability Limits up to: \$1 million Combined Single Limit

Umbrella limits up to \$5 million

Cargo Although not that common, cargo can be offered for commodities hauled

Identity Theft Expense Reimbursement coverage available through Northland! [link](#)
