

Fall Activities are Full of Business Opportunities

Now that school is back in session, business is in focus and we want to help drive more of it your way.

Summer is drawing to a close; the smell of fall is in the air; and kids are returning to school. With shorter days, cooler nights, we all begin to focus on a variety of fall activities – such as **school sports, pumpkin patches, Halloween, Thanksgiving and other special events.**

We want this fall to be a time for increased opportunities for you and your clients. We can write over **1,500 different classes** of business, including **hunting clubs and preserves, outfitters and guides, art and craft shows, haunted houses, turkey shoots, gun shows and even party planners and caterers.** We provide broad coverage for a range of products including General Liability (including Professional Liability), Property, Crime and Inland Marine.
